# NOTICE

## Effective September 1, 2015

(New Climate Control Building Hours)

**Monday-Friday: 10:00am – 7:00pm**

**Saturday-Sunday: 12 Noon – 7:00pm**

**As you're aware, the Safety and Security of you, your guests and your items in our care is our utmost concern.**

Due to an increase of Break-ins and Vandalism in our area - and the fact that "Inside Units" are traditionally the most vulnerable, we are changing our Climate Control Unit Hours to help us continue our goal of providing you the Safest and most Secure Facility possible.

Naturally... Should our Surrounding Environment become "less volatile", then we will be expanding the hours. But until then, these new hours will remain in effect.

As a "side note"... "Outside Unit Access" will remain as it has always been... 06:00am to 11:00pm 7 days a week.

Thank you for your understanding, cooperation and patience in these "current" increasingly difficult times.

Your Facility Managers

PS. Our Current Managers have successfully kept this type of illegal activity from occurring at our Facility. These new hours are simply an action to assist them in continuing to be as successful as reasonably as possible in their abilities to keep our Facility Superior regarding these concerns.
